A Treacherous Trouble.

Chibley People Point The Way Out.

Kidney diseases are very dangerous. They come on silently, gain ground rapidly, and cause thousands of deaths that could have been prevented by proper treatment in the beginning. Nature gives early warnings of kidney disease—backache, twinges of pain when stooping or lifting, headaches and urinary disorders. If these symptoms are unheeded, there is a grave danger of dropsy or fatal Bright's disease. Doan's Kidney Pills have earned a reputation for their effectiveness in kidney troubles, and are known and recommended the world. Chibley testimony proves the merits of Doan's Kidney Pills to our readers.

F. F. Pelt, Railroad St., Chibley, Fla., says: "I consider it a pleasure to confirm the public statement I gave three years ago recommending Doan's Kidney Pills. The benefit this remedy brought in my family at that time has been permanent. Doan's Kidney Pills were obtained from McGeachy & Co's drug store and they brought relief from pain in the back and other distressing symptoms of kidney complaint. This remedy made a marked improvement in health and thoroughly convinced us of its merits."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
